

OAKWOOD ARTS ACTIVITY KIT!

Each week Oakwood Arts will work with a local artist to create art prompts to help fuel your creativity, and share about cool careers in the arts! Students from all around Richmond will receive these fun prompts, and you can share what you have created with your community by posting and tagging your amazing artwork on Instagram!

MEET THIS WEEK'S ARTIST: REBECCA FIELD!

Hey Everyone! I am Rebecca Field and I am an illustrator and artist, and I teach art at John Marshall High School, home of the Justices! This is such a great time to be making art but I miss my kiddos at Jay Em so I am excited to share some art projects with all of you.

WHAT IS IN THIS WEEK'S PACK?

The project that I've included this week is perfect for curious people who are a little bored and are ready to play! If you like the project but want to change it around to make it more fun for you, DO IT! You are an artist just like me.

HERE ARE SOME OF MY FAVORITE ARTWORKS THAT I'VE MADE!
